

# ENROLLMENT

Prospective students should review all enrollment documents and videos before their scheduled evaluation. Lincoln Park holds several enrollment seminars a year, usually January through March. The seminar consists of a tour, admissions video and a meeting with the arts department directors. The admissions video, an overview video from each director and evaluation requirement are all also on our website. Each student interested in enrolling for Media Arts is required to submit a portfolio for review by faculty.

To sign up for a seminar, and to download enrollment forms, please visit our website or call 724.643.9004.

# MISSION STATEMENT

Lincoln Park's Media Arts Department creates a learning environment through instruction and real-world hands-on application that will educate and challenge students to develop their talents beyond the traditional classroom in the design, production and finishing of media arts projects.

# COURSE OF STUDY

Media Arts students are required to participate in a well-rounded representation of traditional visual arts, design, photography and technical media classes. After being introduced to all aspects of Media Arts during the first years of study, students can select areas of the program in which to immerse themselves. They can also choose to blend their media arts studies with available courses in other departments. Staff meets regularly with students during the year to guide course selection.
