

ENROLLMENT

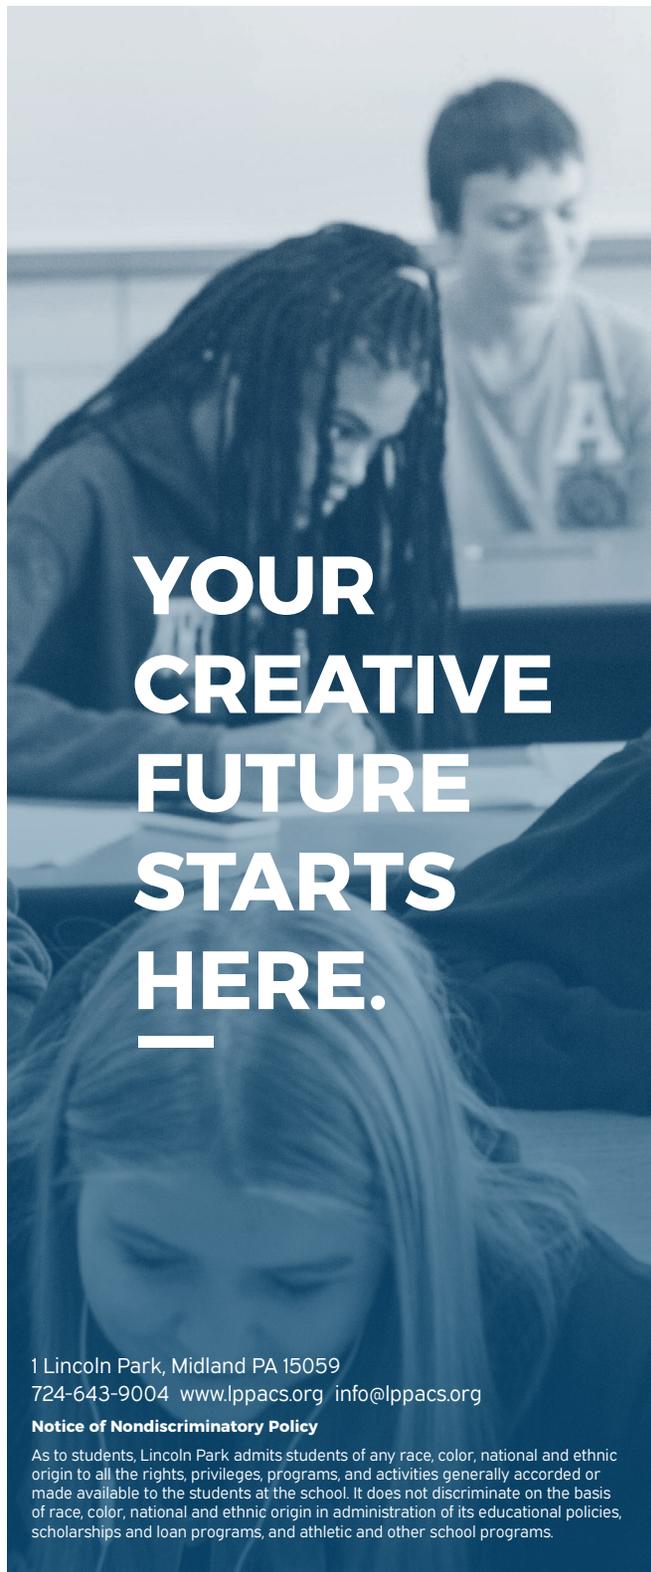

Prospective students should review all enrollment documents and videos before their scheduled evaluation. Lincoln Park holds several enrollment seminars annually, usually in the months of January through March. The seminar consists of a tour, admissions video, and a meeting with department directors. The admissions video, an overview video from each directors, and evaluation requirements can also be found on our school website.

SCHOOL OVERVIEW

Through the creative opportunities it offers to its students Lincoln Park is committed to providing the highest-quality education possible. It does so by using an unbeatable blend of cutting-edge technology and old-fashioned academic rigor.

Founded in 2006, Lincoln Park is a tuition-free public charter school. It offers world-class training for PA students in music, theatre, dance, literary arts, media arts, health science and the arts, and pre-law and the arts, along with a flexible and challenging academic program. All of these opportunities are provided in a working performing arts center, equipped with numerous amenities. Lincoln Park is dedicated to providing student centered service in a professional and compassionate manner. The school utilizes a highly-trained and committed staff, which includes a number of professional artists.

Students at Lincoln Park benefit from individualized educational strategies, tailored to each students' needs, interests and abilities, and designed to empower every student to succeed.

COURSE OF STUDY

Health Science classes combine lectures, a technology-based curriculum and practical activities that cover the anatomical, physiological and psychological study of the human body. Each class is designed to teach students the basics of the various health science fields, the importance of maintaining good health, and the ways in which health science can be important to performers in artistic disciplines. These are exciting classes that will prepare students for a variety of possible careers, and will inspire them to keep their bodies healthy and maintain wellness throughout their lives.

FACULTY

The Health Science and the Arts faculty includes professionals with years of experience in athletic training, physical education, health, sports medicine, nutrition and coaching. These faculty members will guide students through Health Science courses and prepare them for a wide range of post-secondary options.

FACILITY

Surrounded by the lush beauty of a seven-acre park, Lincoln Park is a world-class arts facility. Since 2006, it has offered charter school students the chance to learn their arts discipline of choice in the professional environment of a working performing arts center. With more than 122,000 square feet of state-of-the-art performance and classroom space, Lincoln Park is a tremendous asset for Western Pennsylvania.

In addition, there is a dining hall, which also features an amphitheatre that can accommodate outdoor performances in the park. A gymnasium also coexists seamlessly with the school and houses our powerhouse athletic program.
